VOL 102, NO. 32 | CAMERON, MILAM COUNTY TEXAS, THURSDAY, NOVEMBER 2, 1961 | 12 PAGES TODAY

State Plans $307,170 In Milam Road Project

KAY'S QUEEN -- Cameron Supt. Charles Zeigler presents the queen's bouquet to Miss Kay Harris, who was voted 1961 Yoe High School Homecoming Queen. Just to her right is escort Albert Horelica. Presentation of Queen Kay and her court came Friday at the half of the Hearne - Cameron grid contest, won by Eagles 12-7. Other queen candidates were: Lanelle Darby escorted by Lawrence Laffere, Virginia Cummings escorted by James Parker, Linda Tucker escorted by Tom Moody, Carolyn Slavik escorted by Morris Morgan, and Jolene Wied escorted by Melvin Provasek.

SCHOOL CALLS FOR BIDS ON OJT STRUCTURE

The Cameron School Board has called for bids for the construction of a four - class wing at O. J. Thomas School and for the sale of the Ben Arnold School teacherage and lot.

School board members met with architect Preston M. Geren, Fort Worth, last week to discuss specifications for the classroom wing at O. J.Thomas.

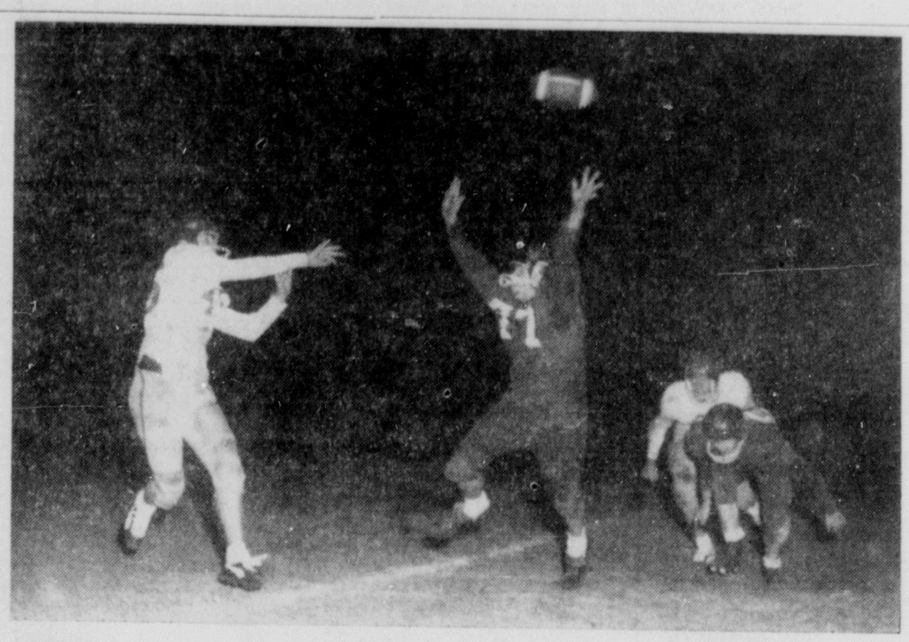
School officials two months ago voted to add the four classrooms following a survey of needs at O. J. Thomas and a review of possble finiancing measures by an Advisory Committee.

The Board approved a 10 per cent across - the - board increase in District valuations to raise about $18,000 for the project. It is estimated the project will cost about $30,000 to $35,000.

Bids will be opened 8 p. m. Thursday, Nov. 16 at the office of Supt. Charles Zeigler in a meeting of the Cameron Board.

Officials said construction will be similar to existing architecture at O. J. Thomas. Recommended was a concrete tile one - floor structure to be extended from the present O. J. T building.

Bids also will be opened 7:30 p. m. Thursday, November 9 for sale of the Ben Arnold teacherage and lot, the building once used as the Ben Arnold School before the school was incorporated into the Cameron District.



OVER HIS HEAD -- A Trinidad quarterback (white jersey) heaves a pass over the outstretched arms of a Milano lineman (77) in a grid contest at Milano Friday. At halftime, Miss Ida Matthews, MHS senior, was crowned Milano School queen. She is the daughter of Mr. and Mrs. Walter Matthews. Milano went on to score a 51-48 win over Trinidad in the second half.

US 77 NORTH TOP PROJECTS FOR NEW YEAR

The Texas Highway Commission today approved the expenditure of $307,170 for highway improvements in Milam County during 1962.

District Highway Engineer C. B. Thames of Bryan, announced that 27.7 miles of improvements, most of them in the North Milam County area, will be made on US 77 and SH 36.

Four major projects include:

US 77 -- Recondition base and resurface 11.3 miles from Falls County line to Cameron.

US 77 -- Seal coat 5.4 miles from SH 36 to Minerva.

US 77 -- Seal coat shoulders 2 miles from Cameron to SH 36.

SH 36 -- Seal coat shoulders for 9 miles from US 77 to Milano.

The major improvement program on US 77 was the third improvement of that highway through Milam County in two years.

US 77 IMPROVED

Workmen are now building a new US 77 from Rockdale south to the Lee County line, due to be complete sometime next year. And a new US 77 was opened last year from Minerva to Rockdale.

The 1962 program is part of a State Highway safety and betterment program authorized by the Highway Commission, Thames said.

Under the program, he pointed out, a total of 2,433 miles of US and Texas highways will be improved. Work will be done on 378 projects in 156 counties.

Thames said a total of 158.7 miles in the Bryan Highway District would be involved at a total cost of $673,400.

FEWER FATALITIES

Highway Commission officials announced that the annual Safety and Betterment Program is one of the prime factors responsible for a significant 26 percent drop in the number of traffic deaths on primary highways during the last seven years.

"Together with programs for new construction and careful maintenance, the Safety and Betterment Program has helped achieve a meaningful reduction in traffic on the primary highway system," according to Herbert C. Petry, Jr., chairman of the Highway Commission.

He said the program will "perpetuate and protect the taxpayers' investment of well over $2 billion in the Texas Highway system."

The Milam County projects include surface widening, base strengthening and shoulder reconstruction.

This Is 102

By FML

As if in conjunction with city street and library announcements, the State Highway Department this week programmed some $307,170 of highway improvements in the Cameron vicinity.

We are happy to note that the projects are on highways that lead to Cameron. Somehow, we do not presume that good roads lead only away from a city, in contrast to some opinion. We think these improvements will bring more people to Milam's County Seat for the growing number of advantages we offer.

102 - 102 - 102

Moving Cameron's library to a downtown location will focus interest and attention on a real advantage of a community, its public library.

Library officials report that members of the Yoe High School Library Club have volunteered their services in helping to move and arrange books in the new location at 112 E. First St., on the north-side of the Courthouse Square.

Other assistance assuredly will come forth when needed to move the equipment and tables to the new library location.

The move has been tabbed one of the most progressive steps in a comprehensive Cameron Library program. We agree.

102 - 102 - 102

Cameron's mometnum in the establishment of major community enterprises therefore continues. When such measures as library, hospital, church, street, highway, school improvements continue, this community cannot fail to attract the solid growth so necessary in the 1960's.

102 - 102 - 102

IS HE OR AIN'T HE? The rumor of State Sen. Jarrard Secrest's candidacy for lieutenant governor gained currency upon his visit to Cameron. It is likely the story will be squelched or confirmed in a few days.

Secrest Reviews Tax Struggles

State Sen. Jarrard Secrest Wednesday opined that future Texas Legislatures must determine how to keep expenditures [illegible] established sh[illegible] of a state sales tax.

Reporting on the Legilsature's struggles to agree on new tax sources for a growing state economy, the Temple senator reviewed various systems considered and dismissed by the Leislature before passing a sales tax.

FIVE SOURCES REVIEWED

He enumerated five sources found wanting by a majority of both houses of the Legislature: a payroll tax, an ad valorum tax, some kind of income tax, natural resource tax and a broader interpretation of selective taxes.

In his talk before Cameron Rotarians, Sen. Secrest said that 23 senators and a majority of representatives finally agreed on the general 2 per cent sales tax.

He said no one was in favor of a payroll tax, and very few [illegible] in favor of additional ad valorum taxes because it was the only source left for local and school governments.

He pointed out that the federal government had pre- empted the income tax approach with its graduated base of income taxes.

And he noted that increased taxes on natural resources, particularly natural gas in the last session, could not find general support in Austin.

"Many politicians said there should be a heavy tax on natural gas going to New York or Chicago, but every piece of state legislation directed toward increased taxation on interstate commerce has been declared unconstitutional" Secrest said.

SUIT PENDING

He noted that a suit is pending in the courts now on a law requiring additional taxes on natural gas going out of state.

Secrest saw the need for increased fiscal responsibility in the future. He said he could see no reason why Texas or other states should work themselves into a deficit operation as has the federal government.

"I am going to take a dim view of any program above present fiscal requirements," he said.

The Senator was introduced by Milam Judge W. C. Wallace.

Alcoa Pays Milam $155,000 Check For 1961 Taxes

Milam County Assessor - Collector Valter T. White accepted a check for $155,000 from Aluminum Company of America this week.

The money represented Alcoa's tax payment to Milam County for 1961. The amount was about 38 per cent of Milam County's total tax income.

White indicated that about 70 per cent of the Alcoa money would be used in the County with the balance going to the state County roads and bridges will share one of the largest parts of the $155,000 payment --about 42 per cent.

Other funds and their percentage of participation in the tax income are: improvements and maintenance of County buildings, 5 per cent; general fund expenditures, 46 per cent; and 2 per cent for the jury fund.

Methodist Church Begins New Service

The First Methodist Church will begin a series of Vesper services Sunday, Nov. 5, at 5 p. m. This early time will probably run through the winter months, church officials stated.

The members were reminded that these services would not interfere with the regular youth group meetings.

PTA Meeting Thursday Night

The Cameron Parents - Teachers Association will hold its regular monthly meeting Thursday at 7:30 p. m. in the Ben Milam Cafetorium.

The program for this meeting will be "Effective Learning for Good Schools." R. T. Adams, Assistant Superintendent will be in charge of a panel discussion. The panel will be Charles Ziegler, Superintendent, Jerald Underwood Yoe High Principal, Arley Attaway, Ada Henderson principal and Max McClaren, Ben Milam Principal. The purpose of this program is to give the school team an opportunity to make known school needs, goals and achievements.

The Choral Group of Ada Henderson will present a program under the direction of Mrs. E. J. Burkes and Mrs. R. T. Adams.

Child Care Service will be available in the Ben Milam Building. traveling basket is requested to bring it to the meeting Thursday night. If this is not possible, please contact the president, Mrs. Chamberlain.

DAUGHTER BORN

To Mr. and Mrs. Henry Washington, Rt. 2, Rogers, 6 lbs, 4 ozs, a girl, Patricia Ann born Oct. 30 at St. Edwards.

Two Youngsters Struck By Auto; No Major Injuries

Two Cameron youngsters suffered injuries Tuesday, Halloween night, when they were hit by an automobile and were recovering satisfactorily today.

Tom Halpain, 10, and James Halpain, 8, the sons of Mr. and Mrs. Robert Halpain, of Cameron, suffered injuries when they ran in front of a car driven by Bill Matthews, 20, also of Cameron, according to Police Chief Elvin Hoskins. The boys were "trick or treating."

Hoskins said the accident appeared unavoidable.

The older boy suffered a broken collar bone and cuts. His brother, James, received numerous cuts and bruises.

They were treated in a Cameron hospital.

Services Set For Mrs. Oliver Looney

Mrs. Oliver R. Looney died 9:25 a. m. Wednesday at her home, 1705 N. Houston. Funerai services will be held 2 p. m. Friday from Marek - Burns Funreal Home with Rev. Jewel Strong officiating. Burial will be in Ben Arnold Cemetery.

A resident of Cameron and Ben Arnold for the past 60 years, Mrs. Looney was born March 2, 1882 in New Waverly, Texas.

Survivors include her husband, Oliver R. Looney of Cameron 1 son, Ned I. Looney of Washington D. C. 2 daughters, Mrs. Frances Arrington, Freeport, and Mrs. Helen Downs of Dallas; 1 sister, Mrs. Nollie Shead, Dallas; 5 grandchildren and several nieces and nephews.

Buckholts Plans Homecoming Tilt

Buckholts High School will hold an annual Homecoming Game 7:30 p. m. Saturday with the Badgers meeting the Oglesby Tigers for the 12-B District lead.

Highlight of Homecoming halftime ceremonies will be the crowning of Buckholts Homecoming Queen.

The Saturday night contest is expected to attract a crowd of former Buckholts students from a wide area in Central Texas, school officials said.

Before the game begins, officials said a reception will be held at 5:30 p. m. Saturday for all Buckholts High School ex - students. And a showing of the 1956 Cotton Bowl film is scheduled for 6:15.

Both Buckholts and Oglesby have perfect district records. Winner of the six - man football contest is expected to go on to win the 12-B Conference crown.

A versatile Tiger backfield, capable of striking from the ground or through the air, could make the difference. Oglesby claims top performers in Joe Vincent, Donald West and Glenn Discuss.

But matching power in Buckholts' Jack Ruzicka, Bobby Malavets and Morris Jones will be apparent when the Badgers take the field.

Ogelsby had run up a 24-game winning streak in six - man competition until Walnut Springs defeated the Tigers earlier this year, 34-22.

Buckholts had a 6-1 record, the lone defeat coming at the hands of Jewett. Badger wins have been over Jarrell, Milano, Normangee, Turnerville, Jonesboro and Flat.

Coach Lester Hanke said his badgers, while compiling the best all - season record in years, still lack a real gridiron test this season. He said that Malovets is Buckholts leading scorer.

A passing duel is expected between Jack Ruzicka and the Tigers' West. But speed will determine the win for the six - man conference contest.

Griffith Reports To Jet Fighter Unit

Captain Guy Griffith, jet pilot in the U. S. Air Force Reserve has left for active duty this week at Syracuse, N. Y.

He is the first individial reservist to be called back into active duty from the Cameron - Milam area.

He will fly with a jet fighter squadron in New York.

Meanwhile Dr. David Shapiro, a lieutenant - colonel in the U. S. Air Force Medical Reserve, said he would not be subject to active duty call since the Air Force has announced it will call only lieutenants and captains in Air Force Medical Service. The Cameron doctor has been in the Air Force Reserve since World War II.

Crew Sets Pipe At Griffin Chapel For New Wildcat

The drilling crew of the Houston - Oklahoma Oil Company No. 10 Dr. E. H. O'Neal, Milam County's new shallow test, was setting pipe at mid - week and preparing to drill in the well. Earlier the well had been cored and had electrical log run on it.

The O'Neal is located in the Griffin Chapel area about three and one - half miles north west of Milano. Depth is about 1,325 feet.

Another Milam County wildcat, the Alps Oil Company No. 1 Ray Woods, located four and one - half miles southeast of Milano, was abandoned last week after drilling to 3,800 feet and finding no shows.

Kickoff Coffee

SA Fund Drive Planned

A Salvation Army Fund Drive will be kicked off with a coffee for volunteer workers 10 a. m. Tuesday at the Texan Cafe, according to County Judge Don G. Humble drive chairman.

The meeting for workers will officially kick off the 1961 Salvation Army drive for $1,500, conducting a separate drive this year.

Judge Humble announced the following officials will direct the drive:

SA OFFICIALS

J. W. Tolson, vice chairman; E. E. Curtis, treasurer; and Police Chief Elvin Hoskins, Horace Knight and F. L. Gregory, committee members.

Humble urged wide support for the Salvation Army drive in Cameron and vicinity.

"I am proud to be connected with this Salvation Army drive because I see how much good the money does locally. I urge all of our citizens to co - operate and put this campaign over the top." Humble said.

He pointed out the local Salvation Army committee has helped a large number of families and individuals during the past year.

In some cases it was food for a family where the father was out of work or medicine for someone in poor circumstances or transportation to John Sealy Hospital for someone without the means to get there, Humble said.

BUDGET NEEDS

"A larger budget is needed to serve needy school children and other local welfare cases worthy of attention," Humble emphasized.

The Cameron Salvation Army Committee has available the many state - wide services operated by the Texas Salvation Army such as the camp for boys, a home and hospital for unwed mothers, disaster service such as rendered during Hurricane Carla and others, officials said.

The drive for $1,500 will begin immediately following the kickoff coffee. Donuts and coffee will be served Tuesday morning.

Mr. Frazier Takes Dallas Church Post

Mr. Don Frazier has resigned as minister of the Church of Christ in Cameron and assumed duties with a Dallas congregation of the Church of Christ this week. The Fraziers have been in Cameron for the past two years.

A spokesman for the church said that a new minister for the Cameron congregation has not been named.

Local Policeman Resigns Post

Police Chief Elvin Hoskins has announced the resignation of Cameron patrolman, James Reubottom.

MFB Approves 19 Resolutions

The Milam Farm Bureau last week approved 19 resolutions in a County Convention and scheduled a directors meeting for Thursday (November 2) to elect officers.

A MFB spokesman said the 1,200 member goal in membership had been reached at the close of the drive this week.

Resolutions approved for forwarding to the Texas Farm Bureau Convention ranged from developing community industry to opposing federal minimum wage laws for farm labor.

Milam Farm Bureau members approved:

--A Texas Farm Bureau program to encourage industrial development in all communities.

--Opposition to the federal minimum wage for farm labor.

--Authorizing commissioners in each county by law to set rates and regulations for services for rural telephones.

--Strict enforcement of contracts on Soil Bank land.

--Better foundations for roads to increase load - bearing capacity, reducing maintenance expense.

--Removal of demand meters, now in use by Texas Power and Light and REA.

--Opposition to a requirement of securing a county building permit.

Convention members also elected five new directors: Horace Bozeman, Morris Coward, Edwin Lehman, Ernest Dodd and K. V. Griffin.

Guardsmen Begin 1st Training At Fort, Polk, La.

Milam County's Company C, Third Medium Tank Battalion, is in the early stages of a training cycle at Fort Polk, La.

Members of the unit were home the past weekend to visit with family and friends and reported that the unit had drawn additional tanks to begin training.

The unit went to Fort Polk last week and began their first cycle of training at mid week.

Sgt. James Hollas, a staff member of The Cameron Herald, reported that morale was good as Milam Guardsmen adjusted to the early stages of active duty at Fort Polk.

He will report weekly on activities of unit members in a special Guard Report in The Herald Last segments of the unit left October 23 for active duty.

Reports said additional personnel are being added to increase the unit to full strength.

Company training is mostly classroom work at present. Unit members have been drawing additional equipment, officials said. Capt. James T. Terry commands Company C.

First Monday Magic Coming Up --- Dollar Day

In The Service

ALAMEDA, Calif. (FHTNC) – Billy E. Hardcastle aviation electronics technician third class, USN son of Mr. and Mrs. Earl Hardcastle of Gause, is serving with Patrol Squadron Nine based at the Naval Air Station, Alameda Calif, which took part in the two-week international anti - submarine warfare exercise dubbed Operation "Sea Shell" which ended Oct. 13.

More than 10,000 men and 150 ships submarines and aircraft of the U. S. Navy Royal Canadian Navy and Royal Canadian Air Force joined in the exercise, designed to strengthen combined U. S. — Canadian anti - submarine warfare capabilities and protect the large West Coast cities of both nations from possible submarine attack.

Alfred Bernard Rydell, son of Mr. and Mrs. Bernard Rydell of Davilla has enlisted in the Navy at Temple for six years.

Alfred was discharged from the Navy August 28 after completing his five year enlistment. He spent the last three years serving aboard submarines.

He is now home on leave waiting his orders to his new duty station. He will be promoted to Second Class Petty Officer Nov. 16.

Mrs. Herman Schulz had a quilting Bee at her home at Burlington Monday. Ladies of Rosebud Burlington and other places attended. The quilt is for an orphan home. A covered dish luncheon was enjoyed.

City Receives Highway Check

AUSTIN — A check for $9,585.20 for right of way payment was sent to the City of Cameron today by the Texas Highway Department.

The sum forwarded is partial pay ment for the state's share of the cost of the land needed on St. 100 Between U. S. 77 and 83 and West City Limits of Los Fresnos.

The check will be transmitted by District Engineer C. B. Thames of Bryan to the city.

While city and state share the cost of right of way the Texas Highway Department bears the cost of title insruance and pays the entire cost of appraisal work ordered by the Department. Checks for these items have already been forwarded from the Texas Highway Department to the parties concerned.

Homecoming Scheduled For Buckholts Fans

The Buckholts Badgers rambled to their third district win Oct. 19 at Flat. The Badgers humbled the Yellowjackets of Flat with a score of 44 to 28.

November 4, the Badgers host the Oglesby Tigers at Buckholts. This will be the Badger's Homecoming Game.

Leading the Badgers to their sixth win in seven starts were Bobby Malovets and Morris Jones with two touchdowns each. Pat Wallace, Lenard Fritz and Jack Ruzicka accounted for one TD each. Buddy Inge had two PAT's.

In the tackles department, Lenard Fritz, Morris Jones, and Gerald Bales led the team.

Currently Oglesby and Buckholts are tied for the District 10-B lead. The district title rides with the results of the Oglesby - Buckholts fray, November 4.

FARM FEEDING

Every farm feeding and feed processing installation has its own problems says W. S. Allen, extension agricultural engineer. He advises anyone interested in such installations to get all of the assistance and information available before large investments are made.

Milam Girl Scouts Attending Meeting

Twenty - three senior Girl Scouts and leaders from the 17 - county Texas Colorado Lakes Council of which Milam county is a part are attending the triennial regional conference in Dallas this week.

New trends and developments in Girl Scouting are being studied during the conference, at which all three states of the region Texas, Oklahoma and New Mexico are represented. There are 185,000 Girl Scouts in the region.

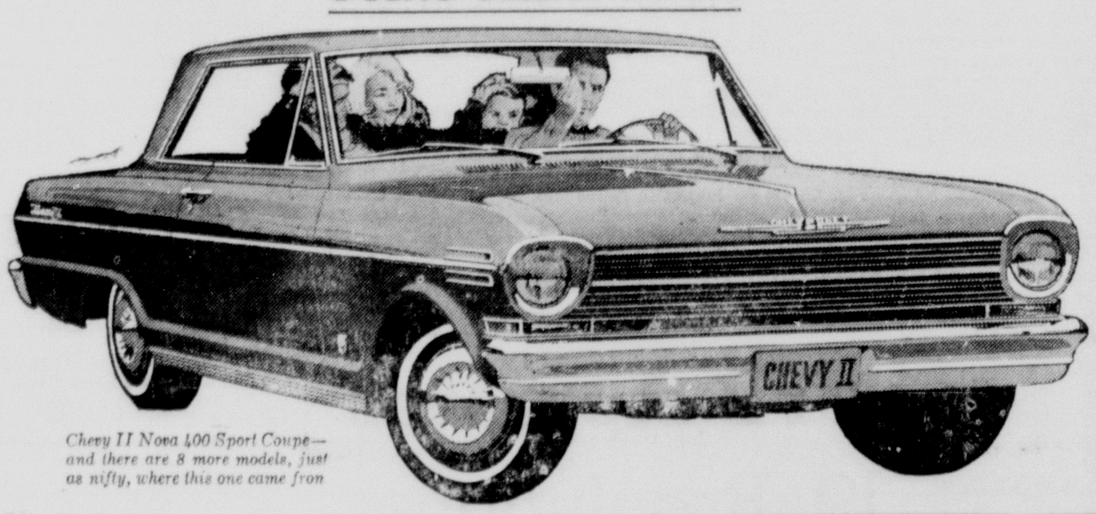
THE NEW CHEVY II GOING GREAT GUNS!

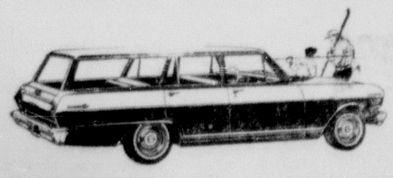


Chevy II Nova 400 Sport Coupe—and there are 8 more models, just as nifty, where this one came from

This one was on the road to success right from the start, a new kind of solid simplicity blended with economy and dependability. Beneath the hood . . . a frugal 4- or satiny 6-cylinder engine (your choice in most models). Nine new models . . . sedans, wagons, hardtop and convertible.

If you're looking for *sensibility* at its Sunday best—join the celebration at your Chevrolet dealer's. It's Chevrolet's golden anniversary year, and this new Chevy II is making it a year to remember with a new line built especially to *save* you *money* on service and maintenance. Get the full story at your dealer's.

A New World of Worth



Chevy II 300 Three-Seat Station Wagon

Chevy II Nova 400 Convertible

THANK YOU AMERICA FOR 50 YEARS OF CONFIDENCE

Join in Chevrolet's 50th Anniversary celebration at your dealer's now—By picking up a special order form from your dealer, you can order a "Golden Anniversary Album" LP recording of favorite American songs from Chevrolet for just $1. (For your convenience, many dealers will have the album for sale in their showrooms).

See the new Chevy II, '62 Chevrolet and '62 Corvair at your Chevrolet dealer's One-Stop Shopping Center

Good Roads Made Better

We note with interest and appreciation that the State Highway Department in the Bryan District is spending almost half its $637,000 budget on improving exisiting roadways in Milam County.

And we are happy to report these improvements are concentrated in roads around Cameron that, when work is completed, will give this Milam County seat a network of roads worthy of real commendation.

Authorized is the expenditure of $307,170 for improvements on 27.7 miles of highway. US 77 north, south and southeast is getting much of the attention. The bulk of the improvement of base and resurfacing of US 77 from Falls County to Cameron.

In the past three years, roads of national, state and farm - to - market types have been constructed and improved to the tune of some 50 to 75 miles. State Highway Department assured Milam County several years ago we would get roads and we are getting them. Not to be forgotten are the Chamber, county officials and residents along right - of - way whose efforts and co - operation made the new roads possible.

This latest announcement of road improvements concerns only those already built. It follows that Cameron and Milam County can appreciate the work and attention our network is getting.

As these roadways are built and improved, we believe that most people agree with the idea that good roads go two ways; and, that good roads work favorably for this area.

The 50 - M Bomb and World Opinion

World opinion, for what it's worth, rose to a higher pitch of indignation as Russia finally detonated that 50 - megaton bomb.

Prime ministers and commoners, presidents and peasants reacted in much the same manner: disgust, revulsion, deep concern.

It now appears that "world opinion" is not the callow youth of former years, but a grown man realizing that an adversary of monstrous proportions is bursting fantastic radioactive bubbles for the world to see and fear.

Would we pay less attention to world opinion and more to realistic developments, we would be further advanced in handling this thing called Soviet power.

What does Khrushchev mean by exploding such huge radioactive clouds upon his fellowman? Doesn't he realize he is poisoning the human race?

Be assured, he calculates these moves in terms of politics, not humanity. It is curious that Stalin's remains would be pulled from the "Red - sainted" tomb where Lenin reposes still. For Khrushchev and the Comintern have labeled Stalin a "butcher" for his terrible purges of the 1930's. But again it is politics that causes the fall of Stalin from the Communist heavens.

Khurshchev, in one continuous swoop, hopes to cure three ills:

ONE -- Demonstrate to Red China that he has the power to coerce world politics and therefore control his militant Chinese Communists allies.

TWO -- Identify himself with some kind of Russian humanism by removing Stalin's remains from the Lenin tomb -- since Stalin is well remembered for those leaner years of Russian life. Khrushchev also hopes to deter any hope for the old Stalinist gang to reunite.

THREE -- Frighten neutralists into a firmer alignment against Western development and, by chance, gain the advantage in Berlin.

Khrushchev continues to teach the West a lesson in politics: Public opinion is quick to mount in favor of movement, almost without regard for its course or nature.

In short, we are walking the brink of disaster waiting for world opinion to discern the true direction of Khrushchev Communism. We are learning that world opinion reflects, except in cases of extreme terror such as the 50 - megaton detonation, the outcries of leadership and vocal minorities.

We, of the grassroots, are heard in this country. But those in the jungles, crowded cities and plains of other continents are less fortunate.

Let's Take A Look At Milam County!

THEY'RE BUILDING AND DOING THINGS THERE . . .

NEW ROAD IMPROVEMENTS ANNOUNCED: $307,170.00

Dateline — Austin

More Money For Trucking Way

By Vern Sanford

AUSTIN — Aware of the fact that more money soon may be available for truck - highway construction, 15 delegations of civil leaders descended on Austin.

They asked the Texas Highway Commission for a record number of dollars for highway work. Specifically, $171,056,000.

Houston and Harris County, presenting a plan of freeway development designed to carry Houston's traffic in 1980, asked for approval of an $89,400,000 program. That was the big one. But all of the 14 other projects were equally as pressing to the homefolks, even though less money was involved.

State Highway Engineer D. C. Greer feels that 22,000 of the 25,000 miles in the trunk - highway system are inadequate. He says that less attention has been paid to these "town - to - city" roads during the years in which urban freeways and farm - to - market roads have taken top priority.

Gov. Price Daniel brought the issue of highway finiancing to a head when he vetoed the $15,000,000 Colson - Briscoe farm - to - market road appropriation. Legislators had appropriated it for the year starting next September 1.

Governor Daniel will ask the Legislature, as its special session this winter, to cut down on farm - to-market road construction and step up the money available for truck-highway work.

son to the Texas Farm Bureau convention in Galveston November 12-15 to try to get that powerful rural group to accept the plan.

BUSINESS COMING BACK

A steady growth in Texas retail trade in 1961 is reported by the Bureau of Business Research of the University of Texas.

Despite a Gulf Coast slowdown in September, due to Hurricane Carla, retail sales for the first nine months of 1961 pulled to within one per cent of the sales for the same period of 1960. First six months of 1961 were three per cent behind 1960.

September sales were off, largely because people bought heavily in August to avoid the sales tax. But the nine - month figures indicate to the Bureau's economists that things are looking better.

A big gain in construction in 1961 has helped the business picture. Not even Carla's September blow could head off a new nine-month record in the construction field in Texas. The UT Bureau found $1,047,625,000 in construction authorized the first nine months of 1961, five per cent above 1960's first three quarters.

Recovery of the home building business was the major factor. Third quarter saw $169,127,000 worth of one - family homes authorized. This was 23 per cent about the same quarter of 1960. Apartment construction is nearly double the

Texas County Judges and Commissioners Association has endorsed the change.

Governor Daniel will go in perrate of the previous year.

MORE TAXES

James W. McGrew, research director of the Texas Research League, told the group's annual meeting that additional state spending of about $50,000,000 a year is in sight for the two years starting September 1, 1963.

New sales tax will provide part of the added money, McGrew predicted. Other taxes will just about produce the extra money. But it will require some economizing to make ends meet in the 1963 session of the Legislature, in spite of the huge new tax.

Growth of Texas is the reason for the added spending. Growth means more children, more schools, more patients in mental hospitals, more college students, more cars and more highways to hold them.

More people mean more governmental spending to serve them

Railroad Commissioner Ben Ramsey, main speaker at the League's luncheon, said Texans should be commended for their willingness to accept the added tax burdens needed to finance education

Ramsey provided some startling figures. While he was lieutenant governor, presiding over the Texas Senate, state spending increased nearly two and a half times, from $520,000,000 to $1,200,000,000 a year from 1950 to 1961.

In defense of the Legislature, he said it wasn't "free spending". Spending was necessary for essential programs like education, highways, welfare, hospitals and the like, Ramsey explained.

LITTLE RIVER PHILOSOPHER

Philosopher Wouldn't Want To Live In Alaska On Account Of Poor Aim Of Missile Scientists

Dear editar:

I have long since given up arguing with people over whether it's better to live in the country or in town, on account of it dawned on me that's one argument a man in the country ought to lose, because the more people there are in town, the less there are in the country, and that's a pretty good arrangement.

At any rate, I got to thinking about places to live the other day and while this Johnson grass farm out here suits me, I'm pretty well dug in and I don't know of anything that could pry me loose outside of a tax eviction notice from the sheriff. I suppose there are other people who feel the same way about their location.

Then I got to thinking about places I wouldn't want to live, and heading the list is Alaska.

No I haven't got anything against Alaska, if she wanted in the Union to help us share the debt burden that's her lookout, but you couldn't pay me enough to live there, and I'll tell you why. It's not because of the climate. Even if they changed the temperature up there and made it pleasant to live the year - round, I still wouldn't be interested.

The reason I wouldn't be interested is on account of the scientists ability of mankind. I don't trust it yet. I mean I don't trust its aim and when I say aim I mean its shooting aim.

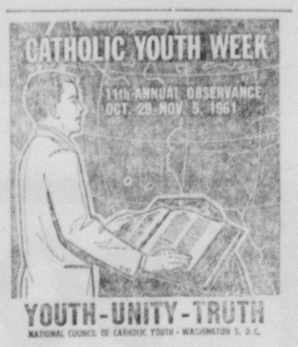
That is say Russia and the United Satets get into a push - button war, as most civilized people figure they will. All right, which is the shortest route for guided missiles between the secret launching pads of each country? Right over Alaska, of course. And how good is the aim of these missile scientists? Well, it ain't good enough to make Alaska a safe place to be.

Two out of three successful and accurate launchings of a missile is considered a pretty good batting average these days, which means a third of the missiles from both countries could fall in the lap of Alaska, just by accident.

A good portion of Alaska may be like this Johnson grass farm -- it's not worth wasting a bomb on-- but if I lived in Alaska, I'd either move or push hard for more accuracy among the missile scientists.

Man is going to have to improve his aim a lot before it's safe to start a missle war.

Yours faithfully,
J. A.



CATHOLIC YOUTH WEEK
11th ANNUAL OBSERVANCE
OCT. 29-NOV. 5, 1961
YOUTH-UNITY-TRUTH
NATIONAL COUNCIL OF CATHOLIC YOUTH · WASHINGTON 5, D.C.

National CYO Week Observed

National Catholic Youth Week has been designated from October 29 through November 6.

Bumper stickers and posters have been bought to booster the spirit. The local CYO has placed many posters in downtown windows of stores.

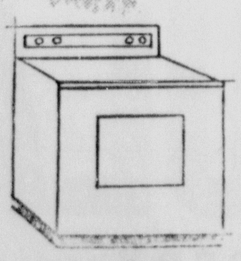
The monthly communion Sunday started the week of activities. A Communion Crusade will also be held during the week, along with the regular monthly meeting.

GRADING HAY

Color is the only visual means of determining the qaulity of a hay. A bright green color is an indicator of high quality, says U. D. Thompson, extension husband-

the whole family benefits...

WHEN YOU USE A Flameless ELECTRIC DRYER



Blue jeans are dried faster than busy little hands can build mud pies. And for the many scrub-up sessions there are always plenty of soft, good-smelling towels.

Mother's pretty cottons keep their bright hues because electric dryers care for fabric colors and texture. Because every day's a sunny one for clothes drying, the family doesn't need a big wardrobe, and that's a saving for Dad. He's mighty pleased too with the low cost of easy electric drying.

Ask your electric dealer to show you the big bonus for your family — a flameless electric clothes dryer!

Mrs. Jistel Given Bridal Shower

Mrs. H. L. Michalka, Mrs. Ervin Kleiber and Mrs. W. C. Keith Jr. entertained Mrs. Clarence Jistel with a miscellaneous shower Sunday afternoon at the A. L. Jistel home.

The honoree is the former Gloria Jean Layne.

The refreshment table was laid with a white linen cloth and centered with an arrangement of red roses and greenery. Plate favors were miniature umbrellas and marshmellows centered with a yellow life saver representing a gold wedding band.

Apprximately 35 guests attended the affair.

Mrs. Harrell Is History Club Host

Mrs. S. M. Harrell was hostess at the meeting of the Cameron History Club Tuesday.

Mrs. Harrell, the club president, presided over the business meeting. In keeping with the course of study, Man's New World, the program presented by Miss Mildred Thornton was Machines Without Men.

The hostess assisted by Mrs. John Martin and Mrs. E. A. Perrin ser Martin and Mrs. E. A. Perrin served coffee with accompanying salad and pecan tarts.

INTRODUCING

Mr. and Mrs. Don Howard, 510 D. North Marsalis, Dallas, are the happy parents of a little 7 lb. 12 oz. daughter, Tamara Ann, born Oct. 24 in a Dallas Hospital.

Pleasure Profit Club Hears Book Review At Thursday Meeting

Mrs. Herbert Nance was hostess for the regular Pleasure and Profit Club meeting Thursday afternoon at her home.

Pie, candy and coffee were served to 21 members and 1 guest, Mrs. Leroy Raley. Mrs. Raley is a former member of the club and was a charter member.

The club collect was read by the president, Miss Lois Randolph.

Mrs. S. D. Ripley entertained the group with her review of the book "Drugstore Data" by Richard Armour.

Miss Randolph gave the club this closing thought: Gifts are what a man has, but graces are what a man is.

The first meeting of the Pleasure Profit Club in October was held at the home of Mrs. Robert Clark with Mrs. S. H. Richardson as cohostess. Assorted Halloween candies and coffee were served to 20 members.

Mr. C. Titsworth presented a program on Civil Defense illustrated with a film.

Miss Dodd Named VP At Howard Payne

Annette Dodd was recently elected vice - president of the freshman class at Howard Payne College, Brownwood. She was a 1961 honor graduate of Yoe High School.

For children under five years, leading causes of accidental death in a recent typical year were suffocation, 2,400; drowning, 250; burn from hot substance, 200.

A & M Mothers Hold Quarterly Meeting At Texan Cafe

The Milam County Texas A & M Mothers Club met at the Texan Cafe Thursday for their regular quarterly meeting.

Mrs. Ida Johns was hostess. A business session conducted by the president, Mrs. Johns, was held. Various projects were adopted by the Federation for 61-62.

The members agreed to send a donation for one of the projects to be used in the student program office at Memorial student Center. Certificates of thanks were read for previous donations made by the club toward Interfaith Chapel and hopsital bunk at A & M.

Refreshments of pie and coffee were served to the members and one guest Mrs. Robert Jungmann. The next meeting will be held January 1962 with Mrs. Niley Smith Sr. as hostess.

Louise Kohn To Wed Ervin Hollas

Mr. and Mrs. John Kohl, Sr. of Rockdale announce the engagement of their daughter Louise Mary to Ervin Joseph Hollas of Cameron. The wedding will be December 2 at St. Monica's Church.

Sharp Officers Named In Elementary

The fifth and sixth grades of the Sharp elementary school have elected the following officers:

Peggy Brokenbush, president; Kathy Abel, vice - president; Patricia Henson, secretary and treasurer; Debbie McCormick, reporter.

Mrs. Max Rinn, Miss Agnes Rinn and Elmer Rinn spent the weekend in Houston visiting relatives.

Mr. and Mrs. L. D. Bales and two small daughters of San Antonio were weekend guests of her parents Mr. and Mrs. C. M. Love

Mrs. Howard Coffman, Mrs. George Gamble, Miss Norma Rinn and Miss Agnes Rinn attended a workshop of the Alamo Presbyterian Church in Austin this week.

Mr. and Mrs. Arthur Inge and children of Buckholts spent Sunday with her parents Mr. and Mrs. George L. Schroeder.

Ernest Backhaus, Frank Gamble J. D. Pope and William Backhaus and son, Paul of Rockdale attended the rodeo at Huntsville Sunday.

Mr. and Mrs. Rufus J. Graves and children were weekend guests of her sister and family, Mr. and Mrs. George Miller and Pamala in Houston.

The Sharp community 4-H Club met last week with Henry Abel, Jr. in charge of the meeting. Nine members answered the roll call given by Bobby Hosch.

Carey Wayne Offield gave the council report.

Reed Davis gave a report on the Bartlett Livestock Show and Henry Abel, Jr. on the Dallas Fair.

Pat Garner gave a report on gun safety.

It was announced that the club will meet the fourth Tuesday of each month.

Too Late To Classify

Yoemen Clipped By Eagles For First District Loss

The Hearne Eagles Squelched Cameron's Fighting Yoemen's chances of capturing the 19AA district football title by handing them their first, but deciding district loss, 12-7 at Yoe High Athletic Field last Friday night.

The win by th eEagles assumed them a tie for the district championship. They have one game left while the Yoemen have two.

The injury - ridden Hearne squad ran into a stubborn Yoemen defence and had difficulty moving on the ground or in the air; however they turned into similar defensive juggernuts and held the Yoemen backs to a total of 141 yards.

The Eagles flashy quarterback, Simon Martinez, was off par as in comparison with his past performances, but he still engineered the Eagles well enough for 126 yards gained on the ground. He completed four out of ten bullet - like passes for a thirty - six yard gain on the ground during the night.

Playing before a packed house, the two evenly matched squads played nip and tuck until midway through the second quarter, when Martinez climaxed a forty-eight yard drive with a three - yard pay dirt run around left end.

His attempt to pass to Tim Batson for the extra points was still fled by a rushing Yoemen defense.

The Eagles scored their second touchdown on a play that had Yoemen fans wondering what happened.

The Yoemen punted high in the air from their own thirty eight yardline. The ball was picked around for a few seconds by Eagle defenders and finally picked up by Charles Hawthorne..

He carried a few yards and then lost track of the pigskin, Frank Vaca picked it up and racing as far as the Cameron six yardline before being subsided.

Two plays were stopped at the line of scrimmage before Martinez hit Sammy Altimore with a pass around the right side good for six points Martinez missed in his attempt to toss for the extra points.

The Yoemen capitalized on a pass interception by Ernie Bayer for their lone six points. Bayer intercepted on the Hearne forty yardline and returned to the Hearne fifteen. Six plays, one of them for the first down, placed the Yoemen on the Hearne two yardline, ready to score.

Bayer plunged off left tackle despite a dramatic goaline stand by the Eagles. Ronnald McWilliams kicked good the extra point.

The Yoemen came within striking distance of victory twice in the first half. They received the opening kick oft on an Eagle fumble and carried to the Eagle twelve yardline before losing out on downs.

Following the Martinez score midway through the second quarter, the Yoemen drove to the Hearne two yardline from their own twenty - eight.

With a first down on the Hearne nine and about two minutes left to play, Cameron attempted running the middle but couldn't chug fast enough. An incomplete pass on the fourth down from the two gave the Eagles possession with fifty seconds left on the clock in the first half.

FIRST QUARTER

The Eagles fumbled the opening kickoff and Amos Doskocil recovered for the Yoemen. Nine plays from scrimmage got the Yoemen to the Eagle twelve. The drive was highlighted by a 13 yard gain by Bayer and a 7 yard pickup on behalf of Doskocil.

Robert Neff got 5 for the Eagles, O. B. Fowler garnered for 14, Neff got 3, Martinez 7 on a keeper Batson lost 5, and Martinez hit Fowler with a 5 yard pass completion. An incomplete toss forced Martinez to punt out 33 yards to the Cameron 17 yardline.

Bayer got 7 from the line; a fumble gave Hearne control, but they fumbled on the first running play and Bayer recovered for the Yoemen. Bayer picked up 4 and 1 Doskocil got 3, ending the first quter of play.

SECOND QUARTER

James Anderle booted 25 yards to the Cameron 48 yardline. Fowler got 11, Martinez lost 3 and missed with a pass. He hit Sammy Atimore on the next play with a 15 yarder. Neff picked up 8, Fowler 14 and 0.

Martinez faked, fooling the Yoemen and trotted safely around right end for 6 points from the three yardline. He missed in his attempt to hit Batson with a pass for the extra points.

Bayer got 1 yard twice fololwing the kickoff. He passed to Craig Wallace for 15 yards and a first oudown. Bayer got 8, Doskocil 2, Bayer 2 and 1, Doskocil 6, Bayer 3, 7, 1, 3, making it a fourth down situation from the 2. A pass went bad and the Eagles ran out the block in 2 plays, ending the

THIRD QUARTER

Wallace returned the second half opening kickoff to the Cameron 38 yardline. Doskocil lost a yard, picked up 1; a pass play missed and Anderle was called on to punt.

He booted straight up and about 10 yards out. The receivers played patsy with the pigskin and finally Charles Hawthore carried a few yards before losing contact with the ball; Frank Vaca took up the play from there and carried to the six yardline in Cameron territory.

Martinez dropped back, side - stepped and tossed to Altimore for the six yard touchdown play that gave the Eagles the needed ad vantage. Martinez missed in his PAT pass attempt.

Cameron took the kickoff on their own 28 yardline. Bayer got a yard and was stopped at the line. A pass went incomplete and Bayer punted 43 yards to the Hearne 31 yardline.

Bayer intercepted a Martinez pass on the third play from scrimmage and carried to the Cameron 15. Five plays later Bayer scored off left tackle to give the Yoemen their lone TD. Ronald McWilliams kicked the extra point.

The Yoemen threw Martinez for a 2 yard loss to end the third quarter.

FOURTH QUARTER

Fowler picked up 5, Martinez passed to Altimore for 10, Fowler got 1 and 0 a pass went wild and Martinez punted 36 yards to the Cameron 16.

Doskocil got 4 and 24 for a first down on the Cameron 44 yardline. Bayer got 1 and a fumble cost the Yoemen the ball.

Martinez, Fowler, Batson and Neff carried to the Cameron 5 yardline. Craig Wallace intercepted an Eagle pass in the end zone and Cameron took possession on the Hearne 20 yardline. Doskocil got 3, a pass missed, Wallac epicked up 9 another pass was nil, Wallace got 6, a pass went incomplete, and Doskocil was thrown for a yard loss.

Hearne took over and ran out the clock to the point of a 5 yard penalty was stepped off against them for delay of the game.

FOR SALE — Pickup, 1956 Chevrolet ½ ton long wheel base. Clean, in good shape. Overload radio and heater. Monroe Bannister, Milano.

Milam Teams To Compete Friday In District Play

Cameron's Yoemen travel the sixteen miles to neighboring Rockdale tomorrow night to renew old acquaintances in the traditional Tiger - Yoemen gridiron contest.

The tilt will be the third conference game of the year for the Yoemen. They fell to Hearne last week, 12-7 and defeated Caldwell the previous week, 28-5.

Rockdale is in the process of a rebuilding program for their gridiron squad. They have a 3-5 won-lost record thus far and 1-1 in district competition. Their lone win being over A & M Consolidated last week 20-0.

The Tigers are quarterbacked by Donnie Laurence. Laurence is a speedy runner with potent throwing arm. Number one fullback is Lester Gibson. Ronnie Menn is left halfback and Ronnie Brannon handles the right side of the backfield.

Warhorse of the Tiger line is Richard Sullivan, right tackle, with exceptional good speed and downfield blocker.

Other Rockdale linemen are Ronnie Seelke, left end; Dickie Summers, left tackle; Jimmy Killen, left guard; Don Cumble, center; George Weems, right guard; and Ernie Laurence, right end.

New District Organized For '62 - '63 In 23 - A

ROGERS — The new Football District 23-A for 1962 - 1963 has been organized for business, and the schedule made.

At a meeting in Rogers Tuesday morning, B. F. Harbour of Rogers was elected chairman and J. L. Chervenka, Rogers High School principal, was elected secretary-treasurer.

Member schools and those attending the meeting are: Academy J. Milton Edds and John C. Clover; Granger, Herbert Sides, Percy Tidwell, and Lee Roy Haak; Round Rock, Noel Grisham, Glenn J. Savage; Thorndale, R. N. West, Evan Weaver; Thrall, A. K. McCown, Jimmie Cain; Rogers, Harbour, Chervenka, Jim Lowrance, Dal Coleman and Kenneth Beverly.

Business items agreed upon were type of ball, pre - game ceremonies, how to determine championship in case of tie, district fees, time schedule for games, passes, admission fees, officials, selection of all - district teams, contracts, and regulation of public address announcements at games.

The district schedule will run from Oct. 19, 1961 until November 16. District winner must be certified by November 17. Schools will have six week - ends prior to district games for playing their five non - district games, with the first game of 1962 to be played Sept. 7.

CAMERON HERALD

VIEW ON SPORTS

— WITH ROBERT MANN —

If Chris Gay had not moved to Mississippi; if Billy Owen had moved to Cameron three months earlier than he did; if Jackie Robinson had not joined the Army; and if Steve Malone had come out for football.

Four big if's. And if any two of them had happened in reverse, Cameron's Fighting Yoemen gridiron team would make an easy sweep of the 19AA football crown.

To examine each of the four ifs is a painful, but necessary task.

First -- Christ Gay, 170 pound guard and two - year letterman moved to Tupelo, Miss., shortly before school started. This left a gap in the Yoemen line.

Second -- Billy Owen, another stalwart lineman, from Madisonville, moved to Cameron last year during basketball season. He received a broken leg while playing for Madisonville and was not able to make the move to Cameron any sooner. And the rules say a student must reside in his school district one year before allowed to participate in sports. This is no fault of Owen. Mother Nature just didn't keep time in tune with gridiron season.

Third -- Jackie Robinson, star quarterback of Coach Max Treadwell's B-team as a sophomore, chose the army over school. Robinson was a speed - demon with a right arm that could heave the pigskin a mile.

Fourth - Steve Malone, hero of two of Cameron's Relays and numerous other track meets, says it's too much trouble to play football. So Cameron's most natural athlete doesn't particiate in gridiron athletics.

This is the heart of the story. The climax will be written at the end of football season.

VOS

Footnotes to Cameron's football story: All new is not bad. Think about these ifs for a while.

If Thomas Leonard had not developed as he did; If Craig Wallace had not come into his own as a sophomore; If Bobby Jones, the most versatile Yoemen, had not decided to come out for football this year, his third in high school; and if Billy Bate's weightlifting program had not added extra pounds of hard muscle to the likes of David Walston, Amos Doskocil and Johnny Krenek.

Honor Roll List For Ada Henderson

Arley Attaway, Ada Henderson principal, announced the following as students making the honor roll for the first six weeks of the present school year.

They are:

Sixth grade - Sara Arthur, David Edwards, Linda Flemming, Deandra Mullinax, Larry Peschel, Aleta Zawadzke and Charles Maddox.

Seventh Grade - Rodney Anderson, Tommy Barton, Betsy Bowman, Katheryn Gelner, Jack Glass, Barbara Jackson, Larry Jungman, Rebecca Lewis, Judy Schofield, Linda Smith, Steve Smith, James Wilkerson and Dennis Woodum.

Eighth grade - Ronnie Bollinger, Sherri Clore, Mark Humble, Cheryl Robbins and Beverly Talafuse.

12 - 7 Victory For Eagles Taps Yoemen Out

The local Yoemen flubbed the dub in their quest for the 19AA district champion ship when they lost to the highly - touted Hearne Eagles last Friday night, 12-7

In other district activity, Rockdale's Tigers clawed out a 20-0 victory over the A & M Consolidated Tigers.

The victory by Hearne assured them a tie for the conference title If they win next week over Caldwell, they will be lone district champs. If they lose and the Yoemen win over Rockdale and Consolidated, the Yoemen and Eagles will be in a tie for the title

Cameron was a victim of speedy Hearne backs. Quarterback Simon Martinez out maneuvered the Yoemen time after time. Yoe backs Amos Doskocil received little blocking in his running attempts and Big Ernie Bayer had trouble barrelling over the Hearne line on up - the - middle plays.

Martinez accounted for both the Eagle TD's; one on a three yard keeper play and one a six

In Rockdale Friday night, the Tigers came to life in the second quarter to score the tilt's first score on a nine yard pass play from Donnie Lawrence to Ronny Seelke. The score climaxed a forty-two yard drive.

Laurence proved his worth in the third period on a twelve yard jog around right end for six points. He also carried over for the last Tiger TD in the final frame. He plunged in from the five.

SEASON STANDINGS

World Community Day Scheduled For City Friday

World Community Day will be observed in Cameron Friday at the All Saints Episcopal Church 3 p. m. Mrs. Kenneth Haley is in charge of this years program, Freedom to Know.

Latin America is the topic for World Community Day and church women in Cameron have made book satchels to be filed and given to Latin American school children. Donations of pencils, erasers, rulers, crayolas and scissors are being asked for the stachels.

Included on the program Friday will be Mrs. George Bowman, Mrs. W. O. Triggs, Mrs. Leland Green Sr., Mrs. Gertrude Harsha and Rev. Kenneth Haley.

Ben Arnold — Walter Stricklers Visit Relatives In Houston

By Mrs. A. T. Swanzy

Mr. and Mrs. Walter Strickler spent last weekend in Houston visiting Mr. and Mrs. Jesse Strickler, Mr. and Mrs. Richard Heugatter, Mr. and Mrs. Buck Strickler and Mr. and Mrs. Walter Strickler, Jr.

Mr. and Mrs. Robert Lee Schuetze, Brenda and Karen; Mrs. Cora Swanzy of Rosebud; Mr. and Mrs. M. O. Swanzy are spending this week visiting relatives in Big Lake and other west Texas towns.

Mr. and Mrs. Leland Burnett and family, William Sweet spent the weekend in Victoria visiting Mr. and Mrs. Roy Garrett and family.

Ronnie Dorner was honored on last Saturday with a party and weiner rost to celebrate his birthday. The party was given by his mother, at their home in Burlington.

Mr. and Mrs. Sonny Swanzy and Joy were Thursday night supper guests of Mr. and Mrs. Bill Sweet and Billy of Hearne.

Mr. and Mrs. Leonard Pelzel and Alan were guests Saturday night of Mr. and Mrs. Sonny Dorner.

Mr. and Mrs. Bill Sweet and Billy of Hearne; Kenneth Marek of Wilson were Saturday night visitors of Mr. and Mrs. Sonny Swanzy and family.

Tracy — Reynolds In Roesler Home Over Weekend

By Mrs. Florence Spiegel

Mr. and Mrs. Bennie Reynolds of Houston spent the weekend with her parents, Mr. and Mrs. Bill Roesler.

Thomas Blocker and Wayne Caffey attended the Texas A & M—Baylor game at College Station Saturday. They were dinner guests in the Bob Davis home.

Mr. and Mrs. Rudolph Stach of Jarrell spent Sunday with the Jim Bartletts.

Mrs. Lenza Caffey, Mrs. Andrew Garner of San Gabriel and Mr and Mrs. Dallas Duncan of Rockdale went to Austin Sunday to visit their mother, Mrs. Josephine Duncan.

Mr. and Mrs. Roy L. Green and Mr. and Mrs. I. W. Smith of Sipe Springs were guests at a family gathering in the home of a brother-in - law and sister, Mr. and Mrs. L. C. Bruton in Houston over the weekend.

Mr. and Mrs. Floyd Mullinax have moved from Tracy to Houston.

County Agents Notes

Dairyman's Short Course

By J. D. Moore
Milam County Agent

The Dairyman's Shortcourse sponsored annually by the Department of Dairy Science Texas A&M College will be held Thursday and Friday November 30 and December 1.

Important subjects to be discussed are: 1. Flavor control in raw milk supply. 2. Pesticide and Herbicide residues in dairy products. 3. Higher concentrate feeding of potentially good dairy cows. 4. Increasing production through pasture management. 5. Producing quality forage for milk production. 6. Hay show and tour Dairy Cattle Center. 7. Present status of California's mastitis control program. 8 .Engineering concepts of mechanical milking.

Local Dairymen are doing a fine job and there is a place for further development of the program in Milam county. These short courses are held annually for the purpose of helping Dairymen better understand their problems. Local Dairymen are urged to attend.

SOIL FERTILITY — Farmers could make up to one hundred dollars per day with a shovel taking their soil samples. Soil test is the only way to determine soil fertility needs. Generally our soils need nitrogen and phosphorous. The more these fertilizers are used the more important is the need for soil tests. There is a more residual effect or carryover in the use of phosphorous than is found in the use of nitrogen.

Nitrogen is essential for a dark green color, rapid plant growth, heavy blossoming and boll set in cotton, necessary in growth of roots stalks and leaves; essential in protein development, soil organic matter and humus.

Phosphorous is necessary for root formation and growth shoot and bud development pollination seed and lint growth. Essential in early growth stages and helping plants to overcome early season stress.

Potash is essential in the production of sugars starches and proteins influence cell growth, disease resistance and seed and lint quality.

Most of our soils have enough potash for proper plant growth. However a soil test is the best guide.

The reason for stressing soil fertility is important. It may be the key to survival on a lot of our marginal farm land. It is questionable to continue producing a bale of cotton to 3 or 4 acres. Soil testing information is available at the county Extension office. With the information that is available the decision is left to the farmer as to whether he wants to produce a bale of cotton per acre or continue the 1-3 of a bale average.

Plan Your Feed Handling System

COLLEGE STATION — Every farm feeding and processing installations has its own problems, says W. S. Allen extension agricultural engineer. Feed handling systems, he adds, must usually be engineered for a specific operation.

Whether old facilities are used in the installation or a completely new system put in, certain basic decisions must be made. These are based on present needs and should allow also for future expansion.

Facts must be determined on quality of material to be handled (based on feed requirements of the type and number of livestock on the farm) the kind of materials being fed, location of present or proposed facilities type and amount of equipment needed to give the required capacity, and the desired product to be fed.

Also to be considered are the storeage of required products for later processing; conveying equipment sizes layout, types; and preparation of a flow diagram to show the simplest and most efficient ways of doing the job.

Some materials handling principles will help guide the planning says Allen. Move materials as little as possible, let livestock help as much as it is feasible. Provide for continuous flow and eliminate unnescessary operations. Mechanize those operations that can be done so efficiently.

Professional assistance is available to Texas farmers from agricultural engineers with power suppliers and from counsulting engineers. County agents have access to the resources of the agricultural engineers at Texas A & M College who can offer help in the design and layout of feed processing and handling systems. They have available B-972 "Farm Feed Processing - Equipment Planning and Design" that will provide design assistance for planning such systems.

"It pays to get all of the information and assistance you can before making large imvestments in new equipment for this purpose," says Allen.

AUCTION REPORT

Cattle numbered 536 hogs 173 and sheep 16 at Thursday's sale at Cameron Livestock Auction.

Prices paid were:

STEERS:		
Good & Choice Fed Steers & Yearlings	21.50	23.00

4-H Club Notes

By Pat C. Garner
Ass't. Milam County Agent

Milam County 4- H Council will hold the annual Achievement Program on Saturday, ov. 11, at 7:30 p. m. in the Methodist Fellowship Hall in Cameron.

The oustanding boy and girl 4-H members will be selected for the Gold Star Award. Basis for selection for this award is leadership projects completed and other activities.

Metals and other award will also be presented to 4-H members that turned in record books for county district and state competition. Local adult leaders will present the medals.

All 4-H members, parents, and the public are invited to attend. Refreshments will be served after the program.

—

The County Wide 4-H Club met October 28 in the District Court Room at the Court House.

President Martin Jistel of the Senior division called the meeting to order. S. W. McClaren Jr., and Mrs. Jungman were both elected by acclamation for the clubs' adults leaders.

A club Christmas party was decided on. The following members volunteered for a committee: Carolyn Jistel, David McClaren, Judy Mueck, and Larry Jungmann.

Pat Garner gave a program on rifle safety.

REPORTABLE DISEASES

Reportable diseases in Milam County for the week ending October 28, 1961 were 10 strep throat according to Milam County Health Department's acting director, Dr. T. E. Crump.

NEW CHEMICAL

A new chemical finishing process developed by scientists of the U. S. Department of Agriculture to give cotton improved wash - wear characteristics is undergoing evaluation tests by the textile finishing industry.

EGG NUTRITIONS

Recent research done at Texas A & M College indicates that only about three housewives out of each 100 think of the nutritional qaulities of eggs when making egg purchases says Marshall Miller, extension poultry marketing specialist.

Upland Cotton Quotas Told For 1962 Season

COLLEGE STATION — U. S. Department of Agriculture officials have announced a national marketing quota of 15,714,000 bales and a national acreage allotment of 18,101,718 acres for the 1962 upland cotton crop. The acreage allotment includes an allocation of 100,000 acres from the national acreage reserve to take care of minimum farm allomtents.

The referendum on marketing quotas is to be held December 12th, and at least two - thirds of the upland cotton producers voting must approve them if they are to be effective.

Based on recent planting and yield trends, the 1962 allotment is expected to produce about as much cotton as will be used in the 1962 - 63 season, leaving the carryover on August 1, 1963 at about the same level as the carryover for August 1. 1962.

The national acreage allotment for 1962 - crop upland cotton will be apportioned to states, state allotments to counties and the county allotments to farms. Individual farm allotments will be made available to producers prior to the referendum, the USDA reported.

If marketing quotas are approved in the referendum, price support will be available to growers who comploy with their farm allotments at such level as is determined appropriate by the Secretary. If marketing quotas are not in effect and price support will be available to cooperators at 50 percent of parity.

Under the 1962 quota program, growers who exceed their farm acreage allotments will be subject to penalities of 50 per cent of the cotton parity price as of June 15, 1962 on the excess production. Also, none of the upanld cotton produced on the farm will be eligible for price support.

Hugh Smith Attends Dallas Clinics

Hugh Smith of Stedman Tractor Company, Cameron has just returned from Dallas where he participated in a two - day product training and sales clinic conducted by representatives of the Ford Tractor and Implement Division. The clinic offered training on the new 6000 Ford tractor and related implements.

TURKEY PRICES

Turkey makes a wonderful fall dish and to make it even better prices are low.

Milam ASCS Report

By Milam County ASCS

Last week's article stated that cost sharing on ACP should be requested before performance of the practice has been completed. This was a misprint, and should have read that "cost sharing on ACP should be requested before the performance of the practice is started." Performance must be reported as soon as possible after the practice has been completed, and not later than the date for reporting established by the county committee.

Those farmers who have a Conservation Reserve, or better known as soil bank, contract expiring this year will not be permitted to extend it, but may be eligible for participation in the 1962 Feed Grain Program. A base will be established on corn and grain sorghum history for the farm for the two years preceeding the year the Conservation Reserve contact was entered into. For instance, if the farmer planted corn and grain sorghum, or either crop, either of the two years preceeding signing of the soil bank contract, a base may be established from the average grain history for those two years.

Wheat farmers have until December 1, to sign up for the 1962 Wheat Stabilization Program. Farmers who participate will receive payment on their automatic 10 percent reduction in permitted acreage, plus any additional acres up to the maximum allowed for diversion.

Diverted wheat acreage will count as planted acreage as far as wheat history for future years is concerned. However, it has not yet been definitely established whether or not the balance or permitted acreage will be lost for history purposes if not planted, so to be on the safe side, the wheat farmer should plant his permitted acreage.

The County Office received an important notice this week -- dvierted wheat acreage may be grazed through May 1, 1962.

Cotton Report

Spot market activity was moderate to slow. Producers offered current ginnings freely. The demand for spot cotton remained good. Shipper buying was light. Inquiries from domestic and export sources were not numerous. Mild clear weather was favorable for harvest.

Prices for Middling 1" cotton held steady in Dallas, Galveston and Houston this week, quoted Thursday October 26 at 33.15 33.25 and 33.15 cents respectively unchanged from a week ago. In the Lubbock market the Middling 1" price eased off about 75 cents per bale quoted at 33.00 cents compared with 33.15 cents. Some of the discounts were narrowed. Harvest made excellent progress this week with perfect weather prevailing. Gins in the late producing sections of the area were running around the clock with a yard full of seed cotton. Producers were offering current ginnings freely when prices were at or above loan levels. Buyer demand remained good for Strict Low Middling and lower White and the Light Spotted grades in staples shorter than 1". Most of those qualities moved into trade channels. Prices weakened slightly in some of the country markets. Shipper activity was generally slow for this time of the season. Buying was not too active and was mainly for the qualities needed for present commitments. Loan entries through October 20 totaled 218,711 bales in Texas and 1,544 bales in Oklahoma, according to report issued by the CCC. Repayments to same date totaled 15,108 bales in Texas.

Domestic mill buying was small in volume. Mill interest showed some improvement, however, with a few more inquiries during the week. Bidding prices continued to curtail purchases. The demand from abroad remained slow. Inquiries were not numerous and prices limited sales to a small volume.

Harvest was rapidly reaching the scrapping stage in central, East and North Texas. If favorable weather continues for another two weeks most of the cotton will be out of the fields. Stalk cutting and land breaking was in progress in some places. Machine harvesting was becoming more active in the late producing sections with 60 to 75 percent of the crop opened.

Marilyn Schneider Named Queen Rogers Carnival

ROGERS — At one of the largest crowds ever to attend a Rogers PTA carnival, Marilyn Schneider was crowned queen of Rogers High School Saturday night, with Monroe Lang as king.

In the junior high school Paula Partin was crowned queen and Eddie Clanton of the 8th grade, king; in the elementary division, Karen Schneider, queen and Danny Bruggman, king in Mrs. Ada Jean Cowen's 5th grade; and in the primary division, Janell Weems queen and Bruce Guess, king, in Mrs. Lola Sparks' second grade.

As a part of the point system used, 175 high school yearbooks were sold; over 1400 supper tickets were sold to the chicken barbecue and 700 chickens were barbecued by Chairman Edwin Psencik and his committee of men. This was the largest number of supper tickets ever sold to the Carnival crowd.

Darwin Schwertner was general chairman of the Carnival; Mrs. Floyd Frits, president of PTA; Mrs Edwin Psencik, foods; Mrs. Edwin A. Smith, Jr., tickets; Mrs. Frits, booths and points; Robert Seaton, cleanup; Mrs. Alta Seay, yearbooks, J. L. Chervenka, carnival finance; Mrs. Helen Shook, coronation; Floyd Frits, kitchen help; Arlis Green, lighting; Moore Cannon, parking of cars; Anton Necas, carpentry; Bob Green, PA system.

Douglas Williams Attend Meets

By Mrs. J. W. Meyer

Douglas Williams has returned home from a plane trip to Philadephia, Pa. where he attended the American Dental Association held at Convention Hall Sunday through Thursday. Williams spent Friday in New York City where he visited the home office of Sterling Drug and Glenbrook Labratories of which he is a member of the sales team. He will return to New York City the latter part of December accompanied by his wife and their three children, Douglas Jr., Sherry and Monte where Williams will be stationed in his new assignment as Assistant to Sales Manager for special accounts covering the United States.

Local boys, Leland Janes, Jimmy Tomasek and Johnny Skhrak were involved in an automobile accident while returning from a dance at Cameron Saturday night. Janes, driver of the car apparently lost control on the slick highway when his car hit a low place and verred off the road hitting a culvert which caused considerable damage to the car. The boys were released from Cameron hospitals shortly after a check - up for possible injuries.

Sunday guests of Mrs. Millie Krall were her children, Mr. and Mrs. Rudolph Krall and son, Danny of Houston; Mr. and Mrs. J. Z. Krall and children, Richard, Nancy and Clifford of Cameron. Also Mr. and Mrs. Vince Lesikar of Cameron.

J. R. Slovacek is reported to be improving nicely at Scott and White hospital in Temple where he is a patient following recent eye

Clarkson —

Guests Visit In Black Home Here Recently

By Mrs. J. A. Blasienz

NOTICE TO BIDDERS

Sealed proposals for construction of an Addition to O. J. Thomas School, Cameron, Texas, addressed to Mr. Milton J. Schiller, President of Cameron School Baord, c-o Mr. Charles R. Zeigler, Superintendent, Cameron Public Schools, Cameron, Texas, will be received until 8:00 p. m. November 16, 1961 at the office of Mr. Charles R. Zeigler, at which time the proposals will be publicly opened and read aloud. Bids received after the closing time will be returned unopened.

Plans and specifications are on file with and may be secured from Preston M. Geren, Architect & Engineer, 1607 Fort Worth National Bank Bldg., Fort Worth, Texas.

A Bid Bond in the amount of five percent (5 per cent) of the amount of the maximum total bid will be required with each proposal.

A Performance Bond and a Payment Bond in the amount of one hundred percent (100 per cent) of the contract price will be required.

Not less than the prevailing wage rates, as set forth in the specifications, must be paid on this project.

Bidders are invited to submit proposals for all of the work, general, mechanical and electrical.

The Owner reserves the right to reject any or all bids and to waive any formalities.

Cameron Independent School District
Mr. Milton J. Schiller
President, Cameron School Board

CARD OF THANKS

We wish to express our sincere thanks and appreciation to each and everyone who in any way assisted us at the time of the loss of our beloved one, Mrs. Patricia Polzer, to those who sent flowers, and food who gave offerings for masses and to all for their kind words of sympathy and consolation.

May God bless each and everyone of you.

Lawrence Polzer and Rebecca Lynn
The Ray O'Neill Family
The Steven Polzer Family.

We wish to express our sincere thanks and appreciation to the many kind friends and neighbors who were so thoughtful during our recent sorrow. Thanks to Newton Memorial Hospital staff, Dr. Shapiro and others who were so helpful

The family of Jim Sprayberry

Your beautiful expressions of comfort and sympathy were sincerely appreciated during the illness and death of our mother, Mrs. Mattie B. Davis.

The Booker & Nelson Family

Maysfield

Rockdale

Friday, Nov. 3

TIGER FIELD

7:30 P. M.

The Yoemen travel to Rockdale tomorrow night for the Battle of the Bell, won by Cameron last year, 14-6.

Rockdale will be hosting the Yoemen after a 20 - 0 victory over A & M Consolidated last week. The traditional rivals will be up for the ball game that often means more to them than all other games on the schedule.

Truly, the Battle of the Bell, should be a mighty one. Cameron will be working hard to hit the victory column after the close 7 - 12 loss to Hearne.

Travel to Rockdale tomorrow night and watch this traditional Milam County contest. Gametime is 7:30 p. m.
